Subject: EMC June 11, 2009

Attachments: Easter Seals Totals.doc

Hi Everyone

These are not official minutes, there is no way that I could do them as well as Ray, I just wanted to note some action items from tonight's meeting.

Called to order: 7:40

Present: Catherine, Steve, Donna, Tim, Ted, Ron, Peggy

Picture Day Schedule is posted and it should be a sunny day

Peggy is to e-mail the coach of Doner Nissan Junior Rookie to offer a morning time on June 21.

Pictures will be set up at the Fairgrounds for both days, same grassy knoll as in previous years.

Rookie is full, Junior Rookie and T-Ball have a few spots left. Still adding players as of this week.

Some issues with umpires and Steve is to request an umpire schedule from Cheryl Telford.

telfords5@sympatico.ca

Steve is to contact Jeff Bromwich for prices on medals for Canada Day jbromwich@rogers.com

Steve is to remind all coaches to send the scores to him, and he will then forward to me.

Cathy needs call-ups from Rookie for the Mosquito Division.

So far Bantam in Newmarket is the only Houseleague Tournament confirmed, as of tonight three teams.

Decision not to go with only three teams.

For umpire training on Monday nights at the Rookie Rep games, all umpires receive full pay for attending.

Convenors are responsible, with Tim, for scheduling rain out games.

Suggestion to have an Executive member responsible for Tournaments and Travel.

Ted attended dinner for YSBA Golf Tournament, 40 golfers, confirmed Barbados raffle postponed until 2010.

Donna is to send Tim an electronic copy of the 2009 coach evaluation to approve, then send to Peggy, make 150 copies with envelopes for the next Rep Coach meeting. Evaluations are due July 15.

Completed evaluations can be mailed, sent electronically or pushed under office door.

Steve is working on the schedule for the Canada Day Junior Rookie Tournament. It was decided to have a pitching booth, no Splashburst because of the work involved with filling the water balloons. Legion

has donated \$250 for prizes, Donna to buy prizes. Tim to deliver radar gun and set-up. Donna to look into vendors for the lunch for the Junior Rookie players.

Donna advised that the Blue Jays Clinic is full.

The Easter Seals fundraiser was full of "lessons learned". We raised \$805.00 from six teams that participated. The winning teams in each division, the winning single fundraiser and the prizes are attached. Tim is to contact each of the winners and copy Donna, Donna is to deliver the prizes and announce the winners on the website. Hopefully, with the great prizes awarded, this will encourage players to participate next year.

The silver Bat program will cost \$350. to print. Donna is confident that this will be covered in

advertising revenues and suggested that the program is continued, as it adds a bit of class to the Tournament.

That's it folks, hope I covered most of the action items!
